

# FEBRUARY 2025 NEWSLETTER

## *Safety For Every Step:* **A New Year's Commitment to Workplace Safety**

At Advance Anti-Slip Surfaces, we believe that every step matters. As we step into 2025, we are proud to offer Safety For Every Step with our trusted antislip products designed to provide superior protection for every workplace.

### **Step Up Safety with Advance Anti-Slip Stair Nosings**

Our **Class 1 Metal-Backed Antislip Stair Nosings** are engineered to create safer stairways in high-traffic areas. The combination of durable materials and exceptional slip resistance ensures that every step is stable and secure. Whether it's an office, warehouse, or industrial environment, our stair nosings make sure your team can ascend or descend confidently.

- **Benefits:**  
Enhanced grip, reduced slip risks, and extended durability.
- **Perfect For:**  
High-traffic areas, warehouses, and public facilities.

### **Ladder Rung Covers for Ultimate Grip**

Ladders are often used in challenging conditions, which can increase the risk of slips and falls. Our **Ladder Rung Covers** are designed to fit existing ladder rungs, providing an extra layer of antislip protection where it's needed most. With superior grip and easy installation, our rung covers ensure safety on every ladder, whether in industrial or commercial settings.

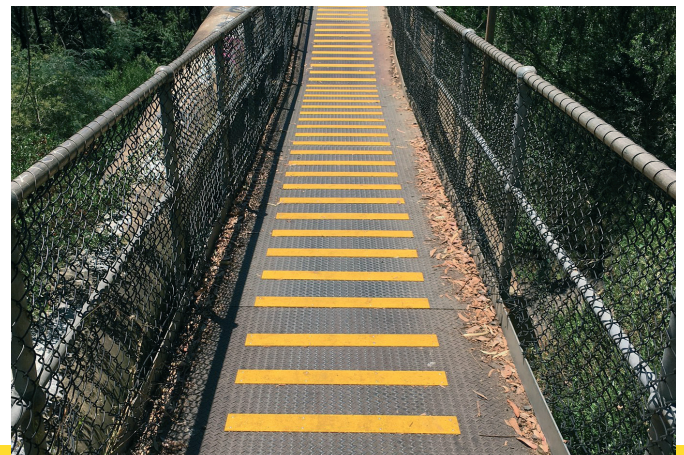

- **Benefits:**  
Easy-to-apply, weather-resistant, and durable.
- **Perfect For:**  
Industrial environments, construction sites, and warehouses.

### **Safeplates: Protection Underfoot**

Our **Safeplates** are the perfect solution for high-risk areas. These flat plates are coated with a high-performance antislip surface, designed to be both resilient and long-lasting. From walkways to ramps, our Safeplates deliver **Safety For Every Step**, creating safer environments on any surface.

- **Benefits:**  
Easy installation, high slip-resistance, and durable in harsh environments.
- **Perfect For:**  
Walkways, platforms, ramps, loading docks, and any area exposed to high foot traffic.

## Antislip Tapes: Versatile Slip Prevention

For a quick and versatile antislip solution, our Self-Adhesive Antislip Tapes provide excellent grip on a variety of surfaces. Available in multiple sizes and colours, these tapes are perfect for adding slip resistance to stairs, ramps, and other potentially hazardous areas. With easy application and a durable finish, our antislip tapes are a simple yet cost effective way to enhance safety in any environment.

- **Benefits:**

Quick application, versatile use, and available in multiple sizes.

- **Perfect For:**

Stairs, ramps, entryways, trailers, machinery, forklifts, and any area needing extra grip.

## Why Choose Us?

At Advance Anti-Slip Surfaces, we are committed to delivering solutions that prioritise safety without compromise. Our products are designed to meet the highest safety standards and are built to last. Whether you're protecting stairways, ladders, or flat surfaces, we have the right solution to fit your needs.
